

Objectives:

1. To reach out to library and education staff not currently able to access YLG training in England, Scotland and Wales.
2. To provide a platform for professional networking and sharing of best practice across public and school libraries in Ireland.
3. To provoke discussion and debate about excellence in children's & young people's books and to encourage uptake in the Carnegie and Greenaway shadowing scheme by libraries in Ireland.
4. To showcase exciting authors provided by YLG's UK publishing contacts and increase the opportunities for partnership working.

This event has only been made possible by close co-operation with our partners in SLANI and we look forward to future partnership going from strength to strength

YLG would like to thank the Headteacher and Governors of Bangor Grammar School for their generous hospitality in allowing us to use their premises.

YLG would also like to thank Frances Lincoln, Scholastic UK, Andersen Press, Orion Books, Random House Children's Books and Demco Interiors for their support of this event

CILIP YLG Wendy Drewett Ireland Book Day

Wednesday November 9th,
2011
Bangor Grammar School

Supported by
The logo for the School Library Association (SLA) consists of the letters 'S', 'L', and 'A' in a stylized font. The 'S' is green, the 'L' is red, and the 'A' is blue. Below the letters, the text 'School Library Association' is written in a smaller font, and 'In Northern Ireland' is written in a bold font below that.
