Over 500 Library and Information Professionals gathered to listen, discuss and debate key issues in our sector, and network with colleagues and exhibitors from across our profession.

CILIP Conference 2017 will be held in Manchester, 5-6 July.

Suppliers' Network members will receive discounts in their exhibitor fees, tiered according to their level of membership. Rates are not currently available, but as a Suppliers' Network member you will be amongst the first to hear.

Suppliers' Network membership will continue to receive discounts when attending, sponsoring or exhibiting at any of the CILIP programme of Executive Briefings and LMS Showcase events.

(Note discounts will not apply to CILIP Membership Network-run third party events).
